Unfinished Business:

Discussion of the Prairieview Sidewalk

Mr. Bobek stated that terms have changed on this project and the state will now pay for the sidewalk and the Village of Hainesville will be responsible for maintenance and upkeep of the sidewalk. If there are utilities that need to be moved that would be the responsibility of the District. Mr. Bobek said that there shouldn't be any cost to the District, but if there are costs involved the District will walk away from the deal.

Update on the FY 16-17 Budget

Mr. Bobek presented the preliminary budget assumptions of expenses and revenues. (*The presentation can be viewed online: <http://www.ustream.tv/recorded/89808556>*) Another budget presentation will take place at the August 10 Board of Education meeting as an action item. The second meeting in September will include the final budget presentation. Mr. Northern requested that the District schedule a couple community meetings so that the public can ask questions about the budget.

Update on Summer Projects

Summer Operations and Maintenance projects are under way - painting has been taking place around the district. RJB is a week ahead of schedule with washing/waxing the floors in the schools. Sealcoating will begin this upcoming week. Schools are looking good.

Discussion regarding goal setting next steps

Board Member Tom Meskel discussed the request for input on goals.

Discussion of the Negotiation Team

Negotiations with the teacher's union and PSRP union will begin this fall. The Unions are ready to begin, so as soon as the Board is ready contract negotiations can begin. Board President Steven Strack explained how the process worked during the last negotiation: The Board President and Vice President along with Superintendent Correll, and Asst. Superintendent Bobek and the District Attorney meet with Union representatives for each round of contract negotiations. The Union has a similar number of participants. The rest of the Board of Education wait in a caucus room and details of the negotiations are shared with them. Board Member David Northern suggested having a newer member of the board also be included in the direct

negotiations so that they have experience going forward. He agreed to join as a third board member in the direct negotiations. Board Vice President Jim Weidman stressed that they worked very hard to better the Board's relationship with the Unions and that they brought back a lot of positives from the experience. The Superintendent will contact the union presidents for scheduling.

Discussion of IASB Triple I Delegate

Board Member Rob Roop was the delegate at last year's meeting and Board Member David Northern was the alternate. Mr. Northern offered to be the delegate if Mr. Roop decides to step down.
