7th/8th grade choirs. He said it was a very enjoyable concert. He also mentioned the opportunity he had to go to Naperville to meet with other Science Olympiad coaches. Science Olympiad for elementary students begins as early as 3rd grade and he'd like to see that in CCSD 46.

- Board Member **Jill Alfnejd** mentioned that she attended the Grayslake Middle School band concert and had high praise for the music programs in the district. The students really enjoy playing and the district really has wonderful art/music educators.
- **Superintendent Correll** mentioned that both Park Campus and Woodview School were award winners in this year's Regional Office of Education Attendance Week. She also thanked the large contingency of girl scouts that were in attendance at this board meeting working towards their government badge. During this time Mrs. Heather Lorenzo, Pupil Services Director, spoke regarding the audit that the district undergoes each year for the at-risk program.

Action Items:

There were no actionable items at this meeting.

Unfinished Business:

Discussion of the roof at GMS

Mr. Keith Grinnell, Operations and Maintenance Coordinator, said that the district is beginning to receive quotes for architects. A structural engineer went over the blueprints and said that the roof can sustain having another layer of shingles added to it, if that is the way the board would like to go. There is a 40-year warranty on the shingles, but the installation/workmanship warranty is only for two years. Mr. Grinnell will find out if it is possible to extend the warranty on the workmanship.

Discussion of the 5-year financial projection

Mr. Chris Bobek, Assistant Superintendent of Business and Finance, presented the board with the "State of the District" presentation. [see [board packet](#) or [board video](#)]

New Business:

Discussion Triple I reports

Board Member **Tom Meskel** explained the forms for the state convention that board members can use to share thoughts, ideas, and summaries of the sessions that they attend. Board President **Steven Strack** suggested that board members make notes of the forms and then submit them electronically. Mr. Meskel would also like to communicate once at the conference to make sure that all presentations are covered. He also mentioned that the exhibits are very good to visit as well.

Future Agenda Items:

- Prairieview outdoor classroom
- Discussion of the GMS roof
- Preliminary levy
- Initial PARCC results
- Appointment of board member to replace Rob Roop
- Presentation on enrollment

There were no comments at the second public comment session.

The Board of Education then held an interview for a potential board member, and went into closed session.
