

THIRD ANNUAL OASIS FEST
APRIL 7-9
151 HAWLEY ST. GRAYSLAKE, IL

April 7-9 The Oasis Grayslake Youth Center will be holding its third annual three-day fundraising event. All proceeds from the weekend will be used for to purchase *Music Performance Licenses*. With these licenses, young musicians are allowed to play covers of their favorite songs. This ability to play cover songs on the Oasis' stage is an investment in the growth of Lake County's young musicians, where there is a deficit in youth-oriented facilities providing these licenses.

Each day will have a special event that emphasizes the many services The Oasis offers.

Friday, April 7- Karaoke Night featuring Karaoke Competition 6pm-9pm

The first two hours of this evening will be open to the public and anyone can perform, while the last hour will feature the competition. Ten slots will be available for early registration, and five slots will be randomly selected that night. A winner will be chosen by vote of the crowd.

Established in 2008, The Grayslake Oasis Youth Center is a safe place where youths from Grayslake and the surrounding communities can spend time and make new friends. We offer a wide variety of entertainment including video games, a snack bar, and pool/air hockey tables. Additionally, The Oasis supports local musicians by hosting concerts every Saturday night featuring local, regional, and national talent.

The Oasis is a one of a kind, independent organization that is determined to benefit the lives of all who come through our door. We are limited by budget, not imagination. By sponsoring and/or attending these events you are directly contributing to The Oasis' mission to positively impact our community. Please help us expand and improve our services to the Grayslake community and its residents by attending our events or becoming a sponsor. Sponsors will receive advertising in return for their support.
