GRAYSLAKE NORTH 2017-18

BASKETBALL

This program is for 5th-8th grade basketball players who reside within the Grayslake High School District 127 boundaries who want to play competitive basketball while continuing to learn basketball skills. This program differs from our other programs by having team selection through try-outs and is a competitive level of practice and games. The season runs from November thru Mid March. Participants who would like to be considered for the team must attend at least ONE of the try-outs listed under their age group, but the Park District strongly encourages players to attend both dates.
