HEY PARENTS:

Are you interested in being a volunteer coach?

All volunteer coaches will have access to a sport-specific training provided by AL-PHA Youth Sports including drills, practice plans, and coaching philosophies. Volunteer coaches must complete an application and background check. Each coach (up to 2 per team) will receive credit on their park district account of 50% off their registration fee. Those interested in applying should contact Megan Kile at 847-740-1111 or megan_kile@rlapd.org.

Youth Basketball Leagues

The youth basketball league focuses on providing all participants with an equal opportunity to learn and play the game in an organized and fun atmosphere! Each team will have one practice and one game per week. Coaches will contact players by Dec. 1 with team information. All league communication will be conducted through email, please make sure you have a valid email address on file at time of registration. All youth leagues are coached by volunteer parents. ONLY coaches will be allowed to select their practice day/time. All other players will be distributed based on the outcome of evaluations to ensure competitive balance between teams. **PD Contact: Megan Kile.**
