Coding and Game Design with Tynker and Sylvan By Sylvan of Grayslake

WEDNESDAY | Grades 1—4 \$171

No programming experience needed. Kids are engaged in hands-on creation—Integrated approach with both teacher and self guided instruction—Builds early confidence with programming; sets the stage for advanced programming with javascript—Kids' creations are real web apps that can run on any browser (and can be shared with family and friends) **(12 Weeks) (No class: 12/20, 12/27)**

Spanish—Levels 1 & 2 By Fun Fluency

TUESDAY | Grades K—4 \$163

Join Fun Fluency on an afterschool aventura of learning a new language—the way your brain was meant to learn it! Students learn Spanish naturally through immersion, movement, games, songs, rhythm, reading and acting out/listening to stories. Our storytelling-based method focuses on long-term retention, not just memorization. Students will quickly see how fun and easy it is to understand, read, and write in Spanish while being immersed in language, play, and laughter. Don't miss out on your child's window of opportunity to learn a language with ease at a young age. Classes are taught by native speakers and experienced/certified Spanish teachers. Class fee includes workbook and useful online resources to continue studies outside of class. Level 2 is designed for anyone with previous Spanish experience. **(11 Weeks) (No class: 12/19, 12/26, 1/2)**

There is a 1.75% processing fee applied to all enrichment class purchases.
